

Welcome to **GREATER MSP!**

We know you're going to love it here. The Greater Minneapolis-Saint Paul region (MSP) is the best place in the country to make an impact. This is a place where people solve problems, work together, and make a real difference. Your career opportunities are endless here in one of the world's most diverse local economies.

You'll quickly discover that MSP is a tremendous all-around value. It may not be the most or least expensive community, but it is a place where economic opportunity meets affordability.

You'll have an all-access pass to everything that makes this region great. Whatever you're looking to do, you will find it here in MSP. You'll find it far easier to participate, as well.

We are excited to welcome you. We'd like to think of this as the start of a conversation and the beginning of a long relationship. Once you get settled, we invite you to plug in by getting connected. We are working together to build an even more welcoming, inclusive region here in MSP.

A great way to begin to build your network is to get engaged in the areas you're passionate about. You can discover more at one of our regular event series or by exploring our calendars to find great offerings from partners throughout the region.

You can learn more about our efforts at makeitmsp.org.

See you soon.
